GISEIKAI MESSAGE FROM THE JODO SHINSHU HONGWANJI-HA GOVERNOR GENERAL BISHOP CHIKO IWAGAMI

On the occasion of the 107th *Giseikai* of the Honpa Hongwanji Mission of Hawaii, I humbly extend my appreciation to you the ministers and sangha representatives from throughout the state of Hawaii for gathering here. I would also like to express my heartfelt gratitude to you all for your continuing efforts in propagating Jodo Shinshu and maintaining the temples within your respective districts.

With Hawaii Kyodan marking its 130th anniversary this year, I wish you even more prosperous years ahead and would also like to extend my respect to our forebears for their efforts and endurance of handing down the Dharma to us until today.

At Hongwanji, on the first day of the annual Goshoki Hoonko this year, the “Message on the 850th Anniversary of Shinran Shonin’s Birth and the 800th Anniversary of the Establishment of the Jodo Shinshu Teaching” *goshosoku* proclamation was presented, announcing the series of joint commemorative services set to be observed in 2023. Since last year, the Jodo Shinshu Hongwanji-ha General Promotion Plan has been proceeding into its second term, and as an item of business, we have been working to carry out the Jodo Shinshu Hongwanji-ha International Office which will be the basis of international propagation. Thus, we are moving forward promoting various projects to contribute toward realizing a society in which everyone can live a life of spiritual fulfillment.

At the closing of the autumn service last year, Monshu Ohtani Kojun introduced Our Pledge in his dharma message. The pledge is a four-clause motto, which is a summary of his dharma message given on October 1, 2016, “A Way of Living as a Nembutsu Follower.” It would be nice if the pledge could be introduced at various temple gatherings.

In closing, it is my hope that the Honpa Hongwanji Mission of Hawaii will continue to prosper and that many fruitful results will arise from this annual meeting.

BWA NEWS

Last year, BWA members across the state spearheaded fundraising efforts for the establishment of an endowment for an Eshin-ni – Kakushin-ni Endowed Chair at the Institute for Buddhist Studies in Berkeley. Due to their efforts and the generosity of temple members and organizations, we exceeded our fundraising goal of \$11,000 with an amazing total of \$14,631! Mahalo to everyone for their hard work and generosity in this worthwhile effort.

On behalf of the Hawaii Federation of BWA, I'd like to express our deep gratitude to Ruth Tokumi for her outstanding work as Federation historian over the past two years. In recent comments, Ruth shared some of her experiences as a historian for various Hongwanji organizations and the impact that it has had on her life.

“Being a historian for BWA has been a growing journey as I learned more about the organization (federation, districts, units), my temple, and myself. The friendship, fellowship, and fun I have enjoyed with my BWA ohana and temple sangha has enriched my life.

The journey started in 1998 when I was approached to be historian for Upasika Society before their 50th anniversary. In 2002 when Hawaii Betsuin Fujinkai merged with Upasika Society and renamed Hawaii Betsuin BWA, I became their first historian in 2003. It has continued to be a growing and gratifying experience for me. It became more exciting in 2010 when Paul Nitta of Moiliili Hongwanji posted Hawaii Betsuin BWA's photos, collages, and videos on the HFBWA website which Tamayo Matsumoto started a few years earlier.”

Mahalo for your years of creativity and dedication, Ruth!

This year we are excited to welcome our first male members! At their January meeting, Hawaii Betsuin BWA introduced new members Rudiger Ruckmann and Dr. Benjamin Bruch, both staff members of PBA. In Maui, longtime BWA supporter Brian Hashiro joined the Kahului Unit.
